# INTRODUCTION

Answering questions is a big part of your life.

- What is 11 times 12?
- Who was the thirteenth president of the United States?
- What is a molecule?

As important as those questions are, the *really big questions* and answers concern God and His book, the Bible. That's what the 103 questions in this book are all about.

Answer these questions, memorize the answers and believe them, and you will build your faith in God and the Bible.
